

Hello!

Welcome to the Montana Sustainable Growers Union (MSGU). We thank you for your interest and participation. The questionnaire will help us learn more about you, your farm, and your products.

As a member of MSGU, you will be asked to attend two meetings per year, pay annual dues of \$50.00, and participate in the farm visit program – you will visit one farm each year, and another farmer will visit you. There is a rotating, volunteer leadership style of management for this group, which means that some year you may be asked to take on a task.

For now we have two dedicated, non-farming volunteers. Sally Brown is our communications coordinator, and Marci Mansfield donates many hours and very cut rates on web design and maintenance, and well as brochure design. Your generosity in sharing food, flowers, and kind words are greatly appreciated by both.

As a member you will be listed on the MSGU website (www.homegrownmontana.org), along with a farm bio and pictures, given brochures to distribute, and be supported by a group of knowledgeable growers and producers. A list of benefits of being a MSGU member will be sent to you after your application has been accepted.

The membership committee will review your questionnaire and respond within two weeks.

Please return the questionnaire to:
